## **Never Tear Us Apart**

Don't ask me What you know is true I don't have to tell you I love your precious heart

I, I was standing
You were there
Two worlds collided
And they could never tear us apart

We could live For a thousand years But if I hurt you I'd make wine from your tears

I told you That we could fly Because we all have wings But some of us don't know why

I, I was standing You were there Two worlds collided And they could never ever tear us apart

I, don't ask me
I was standing, you know it's true
You were there, worlds collided
Two worlds collided, we're shining through
And they could never tear us apart

You don't ask me, you were standing You know it's true, I was there Two worlds collided, two worlds collided We're shining through And they could never tear us apart

I, don't ask me
I was standing, you know it's true
You were there, worlds collided
Two worlds collided, we're shining through
And they could never tear us apart
