## Release Me

**Tom Jones** 

Oh please release me, let me go For I just don't love you anymore To waste our lives would be a sin Release me and let me love again

I have found a new love dear And I will always want her near Her lips are warm while yours are cold Oh release me, my darling let me go

Please release me, let me go
For I just don't love you anymore
To waste our lives would be a sin
Release me and let me love again

Let me go, oh release me, my darling Let me go
