

## Situation

Tom Jones

Blue, I dress for every situation  
Moving through the doorway of the nation  
Pick me up and shake me out  
Baby, I can't do without

Move out, don't mess around  
Move out, you bring me down  
Move out, how'd you get about?  
Don't make a sound, just move out

I remember only for an hour  
Move right through me, can you feel the power?  
I don't know what's going on  
It's getting me but it won't be long

Move out, don't mess around  
Move out, you bring me down  
Move out, how'd you get about?  
Don't make a sound, just move out

Move out, don't mess around  
Move out, you bring me down  
Move out, how'd you get about?  
Don't make a sound, just move out

Move out, don't mess around  
Move out, you bring me down  
Move out, how'd you get about?  
Don't make a sound, just move out

Now he's in control he is your lover  
Nation stands against him he's your brother  
Been a long time, been a long time  
Now I've got to give somehow

Move out, don't mess around  
Move out, you bring me down  
Move out, how'd you get about?  
Don't make a sound, just move out, oh yeah

Well, well, well
