

Take Me

Tom Jones

Take me, take me to your darkest room
Close every window and bolt every door
The very first moment I heard your voice
I'd be in darkness no more

Take me to your most barren desert
A thousand miles from the nearest sea
The very moments I saw your smile
It would be like heaven to me

There's not any mountain too rugged to climb
No desert too barren to cross
Somewhere in you would just show a sign of love
I could bear any loads

Take me to Siberia
In the coldest weather of the wintertime
And it would be just like spring in California
As a-long as I know you were mine

There's not any mountain too rugged to climb
No desert too barren to cross
Somewhere in you would just show a sign of love
I could bear any loads

Take me to Siberia
In the coldest weather of the wintertime
And it would be just like spring in California
As a-long as I know you were mine

Yes, as a-long as I know you were mine
