

# Take My Love (I Want To Give It)

Tom Jones

Take my love, I want to give it all to you  
You can, you can, you can take my lips, take my arms, too  
My love is your love, Darling, no one else will do

Take my hand, I need you when the day is through  
Why don't you take my dreams and make them all come true  
Nothing else matters, if I can't have you

Yes, I really love you  
And babe you love me too  
So darling, believe in me  
For you know my love is true

Take my heart, take my very soul  
Why don't you take my arm,  
For which I've no control  
My life, my lovin', my soul  
Never let it run cold

Yes, I really love you  
I believe that you love me too  
So darlin' believe in me  
For you know my love is true

Take my heart and take my very soul  
You can take my arms  
for which I've no control  
My life is your life  
Never let it run cold

My life, my love is your love  
Never let it run cold

My life is your love  
Never let it run cold.
