

# True Love Comes Only Once In A Lifetime

Tom Jones

(True love comes only once in a lifetime.  
True love comes only once in a lifetime.)  
What am I gonna do?  
I'm only twenty-two,  
and I'm about to lose you.  
And True love  
Let me tell you about true love  
I gotta tell you about true love  
Comes only once  
in a lifetime.  
(True love comes only once in a lifetime.)  
Must I face loneliness?  
My pillow's so wet with tears.  
Oh, Darling, won't you stand by me?  
'Cuz true love  
Let me tell you about true love  
I gotta tell you about true love  
Comes only once  
in a lifetime.  
(True love comes only once in a lifetime.)  
Break off with me  
and I'll be  
So broken hearted.  
My life would be over  
before it even gets started.  
So, baby, be sure  
before you walk out that door  
you don't want me no more, baby.  
And true love  
Let me tell you about true love  
I gotta tell you about true love  
Comes only once in a lifetime.  
(True love comes only once in a lifetime)  
Oh! True love!  
I gotta tell you about true love.  
C'mon, baby.  
True love!  
Yeah yeah yeah yeah  
True love!  
I gotta get some of that true love.  
Whoah, baby.
