With One Exception

Tom Jones

I've seen lots of pretty faces in a million different places
And it's hard for me to keep from doing wrong
'Cause you're the cutest and the sweetest
You always dress the neatest

With one exception and she's waiting at home
If I let temptation fill me, I know your kiss would thrill me
And how easy it would be to lead you on
You're such a lovely girl, you're perfect for my world

With one exception and she's waiting at home
Sometimes I almost cheated, after all I'm just a man
Can't you see my world is wrapped
Up in a golden wedding band

I'd beg steal or borrow
And you'd be mine tomorrow
With one ecception
And she's waitng at home

Yes, I'd beg steal or borrow
And you'd be mine tomorrow
With one exception
And she's waiting at home
