

A Boy & A Girl

Tom MacDonald

I remember sunshine
I remember the day we first met
We were standing outside
I was smoking my last cigarette
We were barely 18
I remember I could barely catch my breath
We were both just babies
Nothing but some crazy dreams in our heads
Drunk on Whyte Ave, calling your phone
We meet up outside of a club we know
It would never last long, just a 'hello'
In love with your footprints in the snow

Once upon a time...
There was a girl & a boy
The only two of their kind
Are you awake?
No one understands me
We didn't know
Once upon a time...
We were a boy & a girl
Who were better combined
Stay awake, I don't wanna sleep yet
I wanna see you one more time
Na-na-na
Na-na-na-na
One more time
Na-na-na
Na-na-na
One more time
Na-na-na
Na-na-na-na
One more time
Na-na-na
Na-na-na

In my hometown
The other rappers hated me so much
So I threw my own show
He saw the fire and hit me up
We met at the venue
I still remember when I looked into his eyes
First time I met you
I could feel the danger you had inside
Never thought that you would be mine
Like he's so perfect
Me? I'm just fine
Didn't need real love
And you tried
And I think I loved you the whole time

Once upon a time...
There was a girl & a boy
The only two of their kind
Are you awake?
No one understands me
We didn't know

Once upon a time...
We were a boy & a girl
Who were better combined
Stay awake, I don't wanna sleep yet
I wanna see you one more time
Na-na-na
Na-na-na-na
One more time
Na-na-na
Na-na-na
One more time
Na-na-na
Na-na-na-na
One more time
Na-na-na
Na-na-na

They say Romeo and Juliet
They made a movie
Yeah, no, this shit is as real as can be
This is free, oh, fairy tale
Mainstream can go to hell
Fuck the music industry

Once upon a time...
There was a girl & a boy
The only two of their kind
Are you awake?
No one understands me
We didn't know
Once upon a time...
We were a boy & a girl
Who were better combined
Stay awake, I don't wanna sleep yet
I wanna see you one more time
Na-na-na
Na-na-na-na
One more time
Na-na-na
Na-na-na
One more time
Na-na-na
Na-na-na-na
One more time
Na-na-na
Na-na-na
