

As It Ends

Tom MacDonald

Baby we can't stop 'em if they wanna drop the bombs
Just as long as I can hold you in my arms when they blow us up
It ain't the end of the world, it's just the end of the world
And I can't save you but I'll hold your hand while shit goes down

We on the highway to hell, we got no other options
I'm sweating bullets, I just hope they fit the shotgun
I'm 'a need that, I'm 'a want that, I'm 'a load that, I'm 'a cock that
You got a heart of gold, I'm 'a take that
I'm 'a put it on, I'm 'a rock that
Is this the end of the world? Is it going down?
Are we really just evacuating town?
Uh, they tell you kill 'em all and never run
Uh, the same ones that never shed they blood
Uh, they tell you that the night is never done
Uh, the same people that have never seen the sun
It was us against the world though, me and you
So I guess if it ends, at least we didn't lose

Drop the bombs
All the smoke, yeah we way too fucking up
We are way above the clouds and still tryna touch the sky

As it ends, as it ends
As it starts, as it dies
As it ends, as it ends
As it starts, as it dies

We can stay here, get the shit kicked out of us
Or, we can fight our way back, into the light

Come, come a little closer
They been dropping bombs away, Heaven's more explosive
In this moment, just wanna ignore it
Everything is crumbling, the whole world doesn't know it
Everyone's evacuating, everyone is going
But if we live to die for this I'm not ready to go yet
So come, come a little closer
Fill the room with smoke and sip from the glasses that we toast with
So come, come and let them fight too
Come and let 'em fight and let 'em die 'cause I can fight too
Come, come and let them fight too
Come and let 'em fight and let 'em die 'cause I can fight too

Baby we can't stop 'em if they wanna drop the bombs
Just as long as I can hold you in my arms when they blow us up
It ain't the end of the world, it's just the end of the world
And I can't save you but I'll hold your hand as, as, as, as...

As it ends, as it ends
As it starts, as it dies (I'm 'a need that, I'm 'a want that, I'm 'a load that, I'm 'a cock that)
As it ends, as it ends (You got a heart of gold, I'm 'a take that)
As it starts, as it dies (I'm 'a put it on, I'm 'a rock that)
As it ends, as it ends (I'm 'a need that, I'm 'a want that, I'm 'a load that, I'm 'a cock that)
As it starts, as it dies (You got a heart of gold, I'm 'a take that)

As it ends, as it ends (I'm 'a put it on, I'm 'a rock that)
As it starts, as it dies
As it ends, as it-
As it starts, as it dies
