

# Average Boy

Tom MacDonald

I can only be who I am I don't fake this shit  
I was made like this  
Middle fingers up on both of my hands  
And they stay like this, to the grave like this, oh  
I am not the dude from your YouTube feed  
Who'd be cool to meet  
I'm a human being  
You gonna lose your teeth  
If you're rude you'll see  
You're confusing me with computer screens  
I ain't gonna try to act cool if they dumb  
I ain't gonna speak any different if they young  
I ain't gonna be the bigger man throw a punch  
Put it on the Internet I don't give a fuck  
Baby I'm a rock star, I know  
I'm just a kid when Mom phones  
Turn into a dick at a Costco  
Beat a dude's ass for the wrong joke

I have so many faces  
Sides of me you don't see  
Not some viral sensation  
Fuck a celebrity  
'Cause, honestly, I'm dangerous  
Not someone you should meet  
Ain't perfect 'cause I'm famous  
That shit has ruined me

I'm a average boy, ooh, ooh, ooh  
I'm a average boy, ooh, ooh, ooh, ooh, ooh

I can never be who I am not, I am not that dude  
I got real bad moods  
I am not some bubblegum pop, got an attitude  
And some face tattoos, oh  
I am not the guy from the song you like  
This is my real life  
I am not that nice  
Like a toxic pride  
Not afraid to die  
I don't talk, I fight, this is not online  
I ain't gonna wear a fake smile for the pic  
I ain't gonna lie on a song to make a hit  
I ain't gonna stay calm boy, I'm gonna trip  
Put it on the Internet I don't give a shit  
Baby I'm a rock star, I know  
Real nice guy on your iPhone  
Turn into a jerk go psycho  
Back into the man you guys know

I have so many faces  
Sides of me you don't see  
Not some viral sensation  
Fuck a celebrity  
'Cause, honestly, I'm dangerous  
Not someone you should meet  
Ain't perfect 'cause I'm famous

That shit has ruined me

I'm a average boy, ooh, ooh, ooh

I'm a average boy, ooh, ooh, ooh, ooh, ooh

I am what I am

Not who people hoped I'd be

Don't be mad

That's the reason why y'all notice me

I am what I am

Not who people thought I was

Don't be mad

That's the reason why y'all fell in love

I wish I could be everything they want

But I been down that road

And that will only lead you to think that I'm

Perfect in control

I wish I could be everything I'm not

I'm still trying to grow

But that just isn't me

I am only Tom

I came just as I'll go

I'm a average boy, ooh, ooh, ooh

I'm a average boy, ooh, ooh, ooh, ooh, ooh
