

# 'Bout It

Tom MacDonald

I thought I told you that I'm 'bout it  
Thought I told you that I'm 'bout it

I'm 'bout it  
Y'all should be afraid now  
Y'all should be afraid now  
I'mma draw blood...  
I ain't talking red crayons

I'm 'bout it  
Y'all should be afraid now  
Y'all should be afraid now  
Put the gun in the air and fire a shot  
Like y'all about to race now

I'm 'bout it  
I'm 'bout it  
(That's true!)  
I'm 'bout it  
(Hell yeah!)  
I'm 'bout it like I never been about it  
(That's true!)  
I'm 'bout it  
(For real!)  
I'm 'bout it  
Boy, I'm so 'bout it like a motherfucker

I've been about it this year  
Ain't no one coming around me this year  
Unless you flew out to Los Angeles  
Got on the guest list and looked 'til you found me this year

I've been out here this year  
In with the liquor and out with the fear  
In with the bitches that wouldn't give you  
The time of day to whisper shit into their ears

(I'm 'bout it)  
Boy, I'm so 'bout it like a motherfucker  
(I'm 'bout it)  
(I'm 'bout it)  
Boy, I'm so 'bout it  
'Bout it, 'bout it  
(I'm 'bout it)  
Boy, I'm so 'bout it like a motherfucker  
(I'm 'bout it)  
(I'm 'bout it)  
Boy, I'm so 'bout it like a motherfucker

I'm 'bout it, don't doubt it  
Y'all prob'ly should watch yourselves  
I don't throw eggs but I got y'all all dodging shells  
Moved on to Melrose, I'm rubbing my elbows  
With people who own record labels and Taco Bells (True!)

I'm 'bout it, I told you  
I don't care to know you

I ain't gonna roll through  
I hate all your new shit, I hated the old you  
Don't fuck with the records you on or you produced

Everything different  
You ain't 'bout it like I'm 'bout it, boy  
I still run your city  
And I'm still out of town, boy

Y'all gon' be growing your hair out  
And tatting your face up  
And copying records made when I was fresh off a breakup  
And passing 'em off as your own, boy, you fake as fuck

I'm 'bout it  
Y'all should be afraid now  
Y'all should be afraid now  
I'mma draw blood...  
I ain't talking red crayons

I'm 'bout it  
Y'all should be afraid now  
Y'all should be afraid now  
Put the gun in the air and fire a shot  
Like y'all about to race now

I'm 'bout it  
I'm 'bout it  
I'm 'bout it  
I'm 'bout it like I never been about it  
I'm 'bout it  
I'm 'bout it  
Boy, I'm so 'bout it like a motherfucker

I've been about it this year  
Pussy so deep that I'm drowning this year  
I ain't gon' do more features or fuck with you clown boys  
I hope that y'all drown in your tears

I've been about it so long  
Los Angeles is my new home  
I told y'all that you would regret it the minute I bounced  
And now that time has come

(I'm 'bout it)  
Boy, I'm so 'bout it like a motherfucker  
(I'm 'bout it)  
(I'm 'bout it)  
Boy, I'm so 'bout it  
'Bout it, 'bout it  
(I'm 'bout it)  
Boy, I'm so 'bout it like a motherfucker  
(I'm 'bout it)  
(I'm 'bout it)  
Boy, I'm so 'bout it like a motherfucker

(I'm 'bout it)  
Everything different  
(I'm 'bout it)  
You ain't 'bout it like I'm 'bout it, boy  
(I'm 'bout it)  
I still run your city  
And I'm still out of town, boy

I've been about it this year  
Ain't no one coming around me this year  
Unless you flew out to Los Angeles  
Got on the guest list and looked 'til you found me this year

I'm 'bout it  
(I've been about it this year)  
I'm 'bout it  
(Pussy so deep that I'm drowning this year)  
I'm 'bout it  
(I ain't gon' do more features or fuck with you clown boys)  
(I hope that y'all drown in your tears)

I'm 'bout it  
(I've been about it so long)  
I'm 'bout it  
(Los Angeles is my new home)  
I'm 'bout it  
(I told y'all that you would regret it the minute I bounced)  
(And now that time has come)

I'm 'bout it  
Y'all should be afraid now  
Y'all should be afraid now  
I'mma draw blood...  
I ain't talking red crayons

I'm 'bout it  
Y'all should be afraid now  
Y'all should be afraid now  
Put the gun in the air and fire a shot  
Like y'all about to race now

I'm 'bout it  
I'm 'bout it  
I'm 'bout it  
I'm 'bout it like I never been about it  
I'm 'bout it  
I'm 'bout it  
Boy, I'm so 'bout it like a motherfucker
