

# Daddy's Home

Tom MacDonald

We won, you mad  
It's done, too bad  
Boo-hoo, so sad  
Now your daddy's home  
We won, you mad  
You cry, we laugh  
We wave, the flag  
Now your Daddy's home

Thank God, that we're back  
Couldn't take another four years, that's a wrap  
I can take a bath in your tears, that's a fact  
You got lipstick all on your beard, you're a man  
That is cap, that is cap, cap, cap, cap, cap, cap, cap  
You pretendin' you're acceptin', that's a act (that's a act)  
You hear pap, pap, pap, pap, pap, pap, pap, pap  
If you want our freedom, come and take it back, bet you can't

We won, you mad  
It's done, too bad  
Boo-hoo, so sad  
Now your daddy's home  
We won, you mad  
You cry, we laugh  
We wave, the flag  
Now your Daddy's home

They tried to cancel me and say that I'm a racist  
Got a mean hook, they can't get me with that jab (with the jab)  
Try and take away my rights to go and say this (woo!)  
Well listen up, 'cause this granny's going bad (goin' bad)  
With the facts, facts, facts, facts  
Facts, facts, facts  
Why'd they try and turn Becky into Dan? (that's a man!)  
You get pap, pap, pap, pap, pap, pap, papped  
Screw Eminem, bitch, I'm Roseanne (That's Roseanne)

We won, you mad  
It's done, too bad  
Boo-hoo, so sad  
Now your daddy's home  
We won, you mad  
You cry, we laugh  
We wave, the flag  
Now your Daddy's home

If you mad about it, go and cry about it  
Shave your head and wear a shirt that says you're woke  
If you can't handle all the facts and make up lies about it (liar)  
Say goodbye to Joe, your daddy's coming home (coming home)  
We won, you mad  
It's done, too bad  
Boo-hoo, so sad  
Now your daddy's home  
We won, you mad  
You cry, we laugh  
We wave, the flag

Now your Daddy's home  
Gang signs

We won, you mad  
It's done, too bad  
Boo-hoo, so sad  
Now your daddy's home  
We won, you mad  
You cry, we laugh  
We wave, the flag  
Now your Daddy's home

Hahaha, ha, haha, ha
