

# Don't Look Back

Tom MacDonald

You feel like Chinatown with red lights  
You make the bad days feel like jet flights  
You feel like they finally got my meds right  
How are you not bad for me?

Don't look back, there ain't nothin' there for us  
Just old friends, they ain't ever care enough  
Don't let go, baby we can make it through, woah  
Don't look back, they were never fair to us  
They hope that one day they would bury us  
Don't let go, baby it's just me and you, woah

Trust me, we'll be ok  
I won't look back, will you hold my hand?  
Feel the heat from the flames  
We won't look back, we don't give a damn  
All we have is today, oh, woah  
Don't look back, follow me  
I won't look back, I'll run till I can't

You feel like the pouring rain and green lights  
You show me what lightning can feel like  
I feel like somebody just cut my brake lines  
How are you not bad for me?

Don't look back, close your eyes and tear it up  
We know that haters, 'cause they're scared of us  
Don't let go, baby we can make it through, woah  
Don't look back, tire tracks and prairie dust  
Feel our attack but they ain't prepared for us  
Don't let go, promise we can make it through, woah

Trust me, we'll be ok  
I won't look back, will you hold my hand?  
Feel the heat from the flames  
We won't look back, we don't give a damn  
All we have is today, oh, woah  
Don't look back, follow me  
I won't look back, I'll run till I can't

Don't look back, just hold on  
Don't feel bad, they're all wrong  
Don't give up, just stay strong  
As long as we have each other we don't need anyone  
Don't look back, just hold on  
Don't feel bad, they're all wrong  
Don't give up, just stay strong  
As long as we have each other we don't need anyone

Trust me, we'll be ok  
I won't look back, will you hold my hand?  
Feel the heat from the flames  
We won't look back, we don't give a damn  
All we have is today, oh, woah  
Don't look back, follow me  
I won't look back, I'll run till I can't
