

# My People

Tom MacDonald

I swear on my mama this one for real though  
It's like  
I just wanna thank the people that been with me from the rip  
Ha  
Yeah  
Yeah

I just wanna thank the people that been with me from the rip  
You're the reason that I made it through this shit  
Y'all the only fucking reason that I'm tryna write a hit and get a crib that  
's big enough to just move everybody in  
I been grinding through the night and when I stop to have a bite I feel guilty 'cause I know y'all relying on my grind  
I made a promise that I'd work 'til I got everything I dreamed  
Then I passed it on to y'all because you are who believed

I been doing something, I been doing something  
I been doing something, and I'm doing it for y'all  
I been doing something, I been doing something  
I been doing something, so everyone can ball  
'Til we fall or we get the call I'm 'a shake the walls  
You're the reason that I'm doing this at all, y'all my fucking people  
Yeah, y'all my fucking people  
Yeah, y'all my fucking people

I wouldn't be here if it wasn't for my family  
I promise I won't change, I'll drink my whiskey out my Grammy when I get it  
Y'all are coming with me to the top  
Because the view from up there don't mean shit if I'm the only one who saw  
I been pouring all my feelings on these records and I know this shit is great because y'all don't let me forget it  
When I make I'm 'a still respond to every single message  
I ain't building up a fan base, I'm just working on my friendships

I been doing something, I been doing something  
I been doing something, and I'm doing it for y'all  
I been doing something, I been doing something  
I been doing something, so everyone can ball  
'Til we fall or we get the call I'm 'a shake the walls  
You're the reason why I'm doing this at all, y'all my fucking people  
Man, y'all my fucking people  
Damn, y'all my fucking people

From the bottom of my heart the art I make is all for you  
What's the reason for a gift if you don't have anyone to give it to?  
Enjoy it, hope it helps you through the nights when you are lonely  
And if no one hits you up let my music be your homie  
It's the only thing I had when I was going through my own shit  
Tryna buy some happiness, I knuckled up and sold shit  
I'm doing everything I can so hold in there 'til I get it  
The greatest moments ever come when you least expect it

I been doing something, I been doing something  
I been doing something, and I'm doing it for y'all  
I been doing something, I been doing something  
I been doing something, so everyone can ball  
'Til we fall or we get the call I'm 'a shake the walls

You're the reason that I'm doing this at all, y'all my fucking people  
Man, y'all my fucking people  
Yeah, y'all my fucking people  
Y'all my fucking people  
You been with me from the rip  
Y'all my fucking people  
Y'all the reason that I made it through this shit  
'Til we ball or we get the call I'm 'a shake the walls  
I'm 'a shake the fucking walls, you're my people  
You're my motherfucking people
