

On Me

Tom MacDonald

Don't lie to 'em baby, let 'em how you feel
You don't even gotta say it, show 'em that it's real
Shake that on me, shake that on me, shake that on me
Take it to the bottom and the whole damn team pro'ly fuck with ya

Uh, who are y'all kidding, everything different
We not the same no more
If you haven't noticed, I haven't been home since I left a few months ago
First it was Paris, and now California and next I'm not even sure
My bag will consist of my wallet, a novel, a hard drive and sleepless shirts

I can feel them getting worried, all the Sake and the curry got me feeling h
ella good too
To be honest we pro'ly shouldn't be honest with each other in the same godda
mn room
Your main girl got pistols and Sim 50 for me
'Cause my heart been broken, no drama but I tell her everything that has bee
n on my mind that is getting me going

Don't lie to 'em baby, let 'em how you feel
You don't even gotta say it, show 'em that it's real
Shake that on me, shake that on me, shake that on me
Take it to the bottom and the whole damn team pro'ly fuck with ya
Don't lie to 'em baby, let 'em how you feel
You don't even gotta say it, show 'em that it's real
Shake that on me, shake that on me, shake that on me
Take it to the bottom and the whole damn team pro'ly fuck with ya

I ain't been drinking, I just been thinking, this shit, it's practice
Soon I will live in the hills and let the paparazzi film all of my overreact
ions
I been too faded to get in the booth and record all my new shit
I been too lazy to pick up the phone even though it's a nuisance
My inbox is flooded, I'm still double cupping
The contract just came in, I guess I am running and still
I can tell by the numbers they gave me they pay for the bottles and cover my
bills
I don't care what they say, I am not being cocky or tripping because I am ke
eping it real
I been so truthful and truth hurts so y'all should be, y'all should be, y'al
l should be pretty much killed

Don't lie to 'em baby, let 'em how you feel
You don't even gotta say it, show 'em that it's real
Shake that on me, shake that on me, shake that on me
Take it to the bottom and the whole damn team pro'ly fuck with ya
Don't lie to 'em baby, let 'em how you feel
You don't even gotta say it, show 'em that it's real
Shake that on me, shake that on me, shake that on me
Take it to the bottom and the whole damn team pro'ly fuck with ya

Don't lie to 'em baby, you don't even gotta say it
Don't lie to 'em baby, you don't even gotta say it

Yes, that bitch who thinks that she cute, like sweetie
You're not!

Don't lie to 'em baby, let 'em how you feel
You don't even gotta say it, show 'em that it's real
Shake that on me, shake that on me, shake that on me
Take it to the bottom and the whole damn team pro'ly fuck with ya
