Are you a dreamer?  
Are you a dreamer?  
Are you a dreamer?  
Things been tough lately for dreamers  
Things been tough lately for dreamers  
Things been tough lately for dreamers  
Everything that we see is a bad dream  
Everything that we see is a bad dream  
Everything that we see you see  
Everything that we see you see  
Everything that we see you see  
Everything's just a dream isn't it?  
Real dreamer, real dreamer  
They said that dream is dead  
They said that dream is dead  
They said that dream is dead  
In a dream your mind functions more quickly, therefore time seems to feel more slow  
Five minutes in a dream is one hour in the real world  
Time seems to feel more slow  
What's your favorite dream?  
What's your favorite dream?  
Bad dreams, bad dreams, bad dreams  
Bad dreams
