

# Perfect

Tom MacDonald

If you want it dirt cheap, get it made in China  
If you want it built tough, get it made in the USA  
If you want it your way, hire a designer  
But god made you perfect, babe, ain't a thing that I would change

You don't need makeup or a push-up bra  
I just love you the way you  
You don't need to hide your flaws to impress me  
You don't need a million bucks or a fancy car  
I can pray every day to god  
It'll never be the same as the way that you bless me

You don't need the Gucci or the Louis Vuitton  
Everybody has a heart and you're winnin' 'em all  
You don't need to fake it like the movie stars  
You're perfect how you are  
And you can have kids, be a single mom  
Have a no good job, workin' too damn hard  
There ain't no comparing you to anyone  
You're perfect how you are

If you want it dirt cheap, get it made in China  
If you want it built tough, get it made in the USA  
If you want it your way, hire a designer  
But god made you perfect, babe, ain't a thing that I would change

You don't need to lose weight or hide your scars  
I just love you the way you are  
You ain't ever gotta play it cool to impress me  
And you ain't gotta dress up and play the part  
I can pray every day to god  
It'll never be the same as the way that you bless me

You don't need the Gucci or the Louis Vuitton  
Everybody has a heart and you're winnin' 'em all  
You don't need to fake it like the movie stars  
You're perfect how you are  
And you can have kids, be a single mom  
Have a no good job, workin' too damn hard  
There ain't no comparing you to anyone  
You're perfect how you are

If you want it dirt cheap, get it made in China  
If you want it built tough, get it made in the USA  
If you want it your way, hire a designer  
But god made you perfect, babe, ain't a thing that I would change

Even if you leave the seat up and talk a lot  
And show up late 'cause you forgot  
And a god damn thing on Earth I love the same  
Even if you ding the car in the parking lot  
Or fed the dinner to the dogs  
You'll never understand the perfect way you're made

You don't need the Gucci or the Louis Vuitton  
Everybody has a heart and you're winnin' 'em all  
You don't need to fake it like the movie stars

You're perfect how you are  
And you can have kids, be a single mom  
Have a no good job, workin' too damn hard  
There ain't no comparing you to anyone  
You're perfect how you are

If you want it dirt cheap, you know where to find it  
If you want it built tough, you know how to get that too  
If you want it perfect, I don't know where to hide it  
Last time I saw anything close was the day my eyes found you  
If you want it dirt cheap, get it made in China  
If you want it built tough, get it made in the USA  
If you want it your way, hire a designer  
But god made you perfect, babe, ain't a thing that I would change
