Little miss neck down  
She's good from far but she's far from good  
Looking at a baller like I wish she would  
Thirstiest hips in the neighborhood  
She's riding around, she's getting it from everybody who's giving  
Spent some big gain over small talk to anyone who's listening  
Women or children, doesn't matter, she's a whore for that attention  
Two kids, two dads, and a sugar papa, she's living off his pension, mm  
Worst of the worst, the ugliest types  
Some Louis Vuitton pumps and some lean over bikes  
Every little booty with a margarine face, I would call it butter but everythin's fake  
And she's over here, college and cheeks, college and lips and busted ass feet  
She ain't getting nothing from me, I ain't fucking with ya

I ain't fucking with ya  
Fucking with ya  
Fucking with ya  
I ain't fucking with ya

She got a big old booty with a ratchet face, with a ratchet face  
Got a big old booty with a ratchet face, with a ratchet face  
Got a big old booty with a ratchet face, with a ratchet face  
Got a big old booty with a ratchet face, with a ratchet face  
She got a big old booty with a ratchet face, with a ratchet face  
She got a big old booty with a ratchet face, with a ratchet face, hey  
Hey

Yeah  
You know my hair braided like some fine bitches  
Whole team in the cut like five stitches  
I'm out of the scene and I'm bored of they music  
I swear that the leak will come out of Vancouver  
From some random hoe I assume is too dumb to upload that shit on her boyfriend's computer  
I'm so done with you ratchets  
I'm overdosed on you ratchets  
They all the same and they don't feel different from the real women, so it's hard to tell  
If they really cool then they'll smoke the weed, if they're not then they'll probably get high off of the smell  
Their leg can stretch so tight that you see a booty girl while she twerking  
Vanilla cigarillos, and the Gucci purse, and she don't even really try to smoke 'em when they burning, swerving  
Down the avenues, in daddy's loaded Lexus, on the way to change the jewels on her nails to match her necklace  
Hair extended, nails acrylic, her best friends are boujee bitches  
And they ass good but they face not, tryna fuck with my team when they local, bitch

She got a big old booty with a ratchet face, with a ratchet face  
Got a big old booty with a ratchet face, with a ratchet face  
Got a big old booty with a ratchet face, with a ratchet face

Got a big old booty with a ratchet face, with a ratchet face  
She got a big old booty with a ratchet face, with a ratchet face
