

# White Rapper

Tom MacDonald

Just another white rapper, fuck me  
I should probably make rock or country  
Eminem's better, I know

I don't care, I won't cry  
You can suck my dick and die  
I'm a millionaire, I love my life  
You ain't shit to me, alright

Yeah  
I just wanted to rap, get a million in cash, get a stripper girlfriend who l  
ikes shaking her ass  
Hit the road with my buds, gettin' drunk, doin' drugs  
Get a Lamborghini limo drivin' me to the club  
Wanted diamond teeth, Sprite mixed with codeine  
Hang with Snoop, smoke weed  
Rich celebrity  
Thought I wanted to be famous, Hollywood's for the losers

Woah-oh oh oh oh  
Now I'm just another white rapper with no future, oh-woah oh  
I don't care, I won't cry  
You can suck my dick and die  
I'm a millionaire, I love my life  
You ain't shit to me, alright

Just another white rapper  
Pass me the mic, they said I couldn't rap 'cause I'm white  
Just another white rapper  
I'm a lyrical miracle, I'm so sick it's bacterial, I stay killin' it, serial  
Just another white rapper  
Pass me the mic, I'm a beast boy, I'll fight for my right  
Just another white rapper

tual

uld throw all my cash  
Be on Double XL, tell my [?] go to hell, maybe win a rap battle and get myse  
lf a deal  
Wanted swisher sweets, FUBU on my team  
Fresh, new, clean white sneaks, rich celebrity  
When I started to rap, they all called me a loser  
Oh-woah oh oh oh  
Said I'll be another white rapper with no future, oh-woah oh oh

I don't care, I won't cry  
You can suck my dick and die  
I'm a millionaire, I love my life  
You ain't shit to me, alright

Just another white rapper  
I'm a lyrical miracle, comin' outta your stereo, I'm so sick that it's spiritual

I feel like I'm me, but I still believe  
If Dr. Dre heard me  
He'd say "Here's a deal, I'll be your friend  
You could be the next Eminem  
You give me a mil, then make me beats"  
So I could finally be-
