Insecure

Tom Misch

I heard this guy says he wants you
Tell me what you want me to do
I said hell no, low blows, sharp tones
Space is needed, reached my ceiling

Sorry, didn't mean it
I'm just a little insecure, secure
Caught up in my feelings
I'm just a little insecure, secure, secure

I start shaming, entertain him
Plain judgemental, words keep flaming
You say hell no, too close to home
Time is needed, reached your ceiling

Sorry, didn't mean it (uh)
I'm just a little insecure, secure
Caught up in my feelings (uh)
I'm just a little insecure, secure

Sorry, didn't mean it (uh)
I'm just a little insecure, secure
Caught up in my feelings (uh)
I'm just a little insecure, secure
