

## Something On My Mind (Edit)

Tom Misch

There's something on my mind  
There's something on my mind  
There's something on my mind  
There's something on my mind  
There's something on my mind  
There's something on my mind  
There's something on my mind  
There's something on my mind  
There's something on my mind  
There's something on my mind  
There's something on my mind  
There's something on my mind  
There's something on my mind  
There's something on my mind  
There's something on my mind  
There's something on my mind  
There's something on my mind...

There's something on my mind  
There's something on my mind  
There's something on my mind  
There's something on my mind  
There's something on my mind  
There's something on my mind  
There's something something something something something on my  
mind  
There's something on my mind  
There's something on my mind  
There's something on my mind  
There's something on my mind  
There's something on my mind  
There's something on my mind  
There's something on my mind  
There's something on my mind mind mind mind mind mind mind mind  
mind mind mind mind mind mind mind mind mind...
