

## Wander With Me

Tom Misch

Wander with me, we can disappear  
Hands still touching  
So you know I'm near  
Wander with me, streets will hold us down  
Leave it all now  
'Cause I need you around, around, around...

And baby it's alright with me  
I can be all that you need  
Baby it's alright with me  
Wander, wander, wander  
And baby, it's alright with me  
I can be all that you need  
Baby, it's alright with me  
It's alright, it's alright, it's alright

Wander with me, need to call you home  
You felt nothing  
Now you never feel alone  
Wander with me, winter won't let go  
A dream of sunlight  
Lining your shadow

And baby it's alright with me  
I can be all that you need  
Baby it's alright with me  
Wander, wander, wander  
And baby, it's alright with me  
I can be all that you need  
Baby, it's alright with me  
It's alright, it's alright, it's alright
