

# Human

Tom Morello

Oh my God, I'm an animal  
Oh my God, I'ma have it all  
I'm losing, I'm losing my way back to human

Hands up chief, get the bit in your teeth  
Or they never will remember your name  
We fight fire with fire, would you call me a liar  
If I told you that I wasn't afraid?

Sweet as sweat, are you feeling it yet?  
Yeah, long may your family reign  
Better shake those hips if there's death on your lips  
Or you never will be dancing again

Cannibalism, the modern religion  
We're riding a ticket to nowhere  
And carry the vision, I do what I do to survive

Oh my God, I'm an animal  
Oh my God, I'ma have it all  
I'm losing, I'm losing my way back to human  
Oh my God, I'm an animal  
Swear to God, it's my curtain call  
I'm losing, I'm losing my way back to human

Blood for blood, if you're ready or not  
Get your finger on the murder machine  
And if faith is blind in your enemy's eyes  
Then boy, you better make 'em believe

And cannibalism, the modern religion  
We're riding a ticket to nowhere  
And carry the vision, I do what I do to survive

Oh my God, I'm an animal  
Oh my God, I'ma have it all  
I'm losing, I'm losing my way back to human  
Oh my God, I'm an animal  
Swear to God, it's my curtain call  
I'm losing, I'm losing my way back to human

Oh my God, I'm an animal  
Oh my God, I'ma have it all  
I'm losing, I'm losing my way back to human  
Oh my God, I'm an animal  
Swear to God, it's my curtain call  
I'm losing, I'm losing my way back to human
