

Naraka

Tom Morello

It feels like redemption
I walked through a wall
Nothing could stop me
David and Saul
The house is on fire
My mom's underneath
My brother is crying
Gnashing of teeth
He's using a wall
To keep himself warm
We killed all the cops last night and
Prayed right through the storm

Mmm
Mmm
Mmm
Mmm

Gnarled of metal
Stabbing up at the sky
Used to be downtown where the
People worked 'til they died
It went as it was written
It followed Jerome
So this is Naraka, baby
It feels like I'm home
I said "Hold me, you're gorgeous"
This is truly the end
Then we fucked for a long, long time
And continued to descend
I carried the flag
And heeded the call
It feels like redemption, baby
David and Saul

Mmm
Mmm
Mmm
Mmm

I'm going down, down, down, ooh
I'm going down, down, down, ooh
I'm going down, down, down, ooh
I'm going down, down, down, ooh
I'm going down
