

The End Of The Summer

Tom Odell

You broke my heart at the end of the summer
You broke my heart at the end of the summer
Me and you went
Back to school and
Nobody cares at all
I miss you
Can't believe I used to get to kiss you
In front of everyone
Now those days are gone

You broke my heart at the end of the summer
The sky went dark at the end of the summer
Flowers dying
I was crying
Nobody cares at all
I need you
You told me that you loved me
I believed you
Look at what you've done
Autumn has begun

I'm calling
Like the autumn leaves
I think I'm falling
A little bit in love with you
Now that summer's through
