

# Deep Fork River Blues

Tom Paxton

Oh, the Deep Fork is a muddy river  
Near my home, near my home  
The Deep Fork is a muddy river  
Near my home, near my home

And the Deep Fork is in Oklahoma  
Near my home, near my home  
The Deep Fork is in Oklahoma  
Near my home, near my home

I can hear hounds baying on the river  
Near my home, near my home  
And I'll surely have a rabbit for my dinner  
Near my home, near my home

When the sun goes down, a man gets mighty lonesome  
For his home, for his home  
When the sun goes down, a man gets mighty lonesome  
For his home, for his home

But I don't have to stay away forever  
I can go home, I can go home  
I don't have to stay away forever  
I can go home, I can go home

Now the Deep Fork is a muddy river  
Near my home, near my home  
The Deep Fork is a muddy river  
Near my home, near my home
