

## A Thing About You

Tom Petty

I'm not much on mystery  
Yeah you gotta be careful what you dream  
I thought this might pass with time  
Yeah I thought I was satisfied

[Chorus:]

But oh baby let me tell you, I got a thing about you  
Baby let me tell you, I got a thing about you  
It don't matter what you say  
It don't matter what you do  
I, I, I, got a thing about you

Somewhere deep in the middle of the night  
Lovers hold each other tight  
Whisper in their anxious ears  
Words of love that disappear

[Chorus]

Baby you hold some strange control over me  
Yeah it's so wild it hypnotizes me

[Chorus]
