

## Mystery of Love

Tom Petty

Don't you hide from me baby, shame on you  
Incognito, baby you're so cruel  
I don't mind, take my hand  
Baby I wanna be your mystery man

Yeah you got ruby lipstick, petal mouth rouge  
Dime store jewelry, cheap perfume  
I don't mind, take my hand  
Honey I wanna be your mystery man

You know I do, you know I do  
Oh you know I do, you know I do  
Yeah you know I do, you know I do  
Baby you know I do, you know I do

Don't you hide from me baby, shame on you  
Dime store jewelry, honey you're so cruel  
I don't mind it, take my hand  
Baby I wanna be your mystery man

You know I do, you know I do  
Baby, you know I do, you know I do  
Yeah you know I do, oh you know I do  
Baby you know I do, yeah you know I do
