The Best of Everything

Tom Petty

She probably works in a restaurant That's what her momma did But I don't know if she ever really Could put up with it

Or maybe she sings in a nightclub 'Cause sometimes she used to sing But I don't know if it ever Amounted to anything

But listen honey, wherever you are tonight I wish you the best of everything, in the world And honey, I hope you found Whatever you were looking for

Yeah and it's over before you know it
It all goes by so fast
Yeah, the bad nights last forever
And the good nights don't ever seem to last

And man, we never had the real thing But sometimes we used to kiss Back when we didn't understand What we were caught up in

So listen honey, wherever you are tonight I wish you the best of everything, in the world And honey, I hope you found Whatever you were looking for

Yeah baby, wherever you are tonight
I wish you the best of everything, in the world
And honey, I hope you found
Whatever you were looking for
