I remember feeling like this Diggin' was as a child Inspiration in my fingertips Imagination running wild

Ohhh ohhh, you get me high You get me high You give me something so deep You get me high

I remember feeling this way
You can lose it without knowing
You wake up and you don't know which way
The wind is blowing

Ohhh ohhh, you get me high You get me high You give me something so deep You get me high

I ain't afraid of what people say Ain't afraid of the great deception Every bad dream comes my way Trying to smoke on closer inspection

Ohhh ohhh, you get me high You get me high You give me something so deep You get me high

You get me high You get me high You give me something so deep You get me high
