

A Thousand Years

Tom Rosenthal

A thousand years, I've got time I've come a long way
A thousand years, I've lost time, I've come a long way
A thousand years, I am life, I've come a long way
A thousand years, I am life, I've come a long way

A thousand years, I've got time, I've come a long way
A thousand years, I've lost time, I've come a long way
A thousand years, I am life, I've come a long way
A thousand years, I am life, I've come a long way
