

Oh Ian, the life the life
The dusty old books
Port on the carpet
The stains the stains

Oh Ian, the face the face
The sense of a lifetime
Snap of the old light
The room the room

Oh Ian I'll bring the old box
Where the quiet lies and the time died
Oh Ian I'll bring it all for you to see

Oh Ian, the words the words
Valiant moments
Sewed from the old hope
The life the life
