

There Isn't Nothing

Tom Rosenthal

There isn't nothing, I saw a something, I saw a flicker of all
that you were and the words did not say what your face did say.

You are a tiger, always a tiger, you found stillness of old from
somewhere, and the silence did cover your eyes that night.

I want to tell, it's already tomorrow, tomorrow.

Call it an ending, call it a nothing, it's done and it's done for
now love, it drifted away away like a piece of cloud.

I want to tell you, it's already tomorrow, tomorrow.

I want to tell you, there isn't nothing, there isn't nothing
