

YOLO

Tom Rosenthal

Lets go to Sarajevo, play a bit of play dough, nothing gonna stop me now I'm going Yolo.

I'm like a dynamo, give me my own show, I've found of way of making difficult decisions.

Shall I go to the shops? Yolo

Shall I bring my dog? Yolo

Shall I go to the moon? Yolo

Shall I do it soon? Yolo

Shall I kiss the girl? Yolo

Shall I give her a pearl? Yolo

Shall I climb the tree? Yolo

You probably get the picture now

Buts Lets go to Sarajevo, play a bit of play dough, nothing gonna stop me now I'm going Yolo.

I'm like a dynamo, give me my own show, I've found of way of making difficult decisions.

I fell asleep, Yolo was too much for me
