

Adaline

Tom Speight

Oh my loving, rescue me
Give me shelter, I'm on knees
Oh why (Ooooooh)
Just gimme some love
Oh my sweetness, it's been too long
Understanding, where have you gone?
Oh why (Ooooooh)
Just gimme some love

(Oh why) Gotta keep it together
(Oh why) 'Cause I'm chasing forever
(Oh why) While I wait for someone to be
(My, my, my, my, my) My Adaline

I'm so tired of being alone
My heavy heart sinks like a stone
Oh why (Ooooooh)
Just gimme some love
Oh why (Ooooooh)
Just gimme some love

(Oh why) Gotta keep it together
(Oh why) 'Cause I'm chasing forever
(Oh why) While I wait for someone to be
(My, my, my, my, my) My Adaline

Oh, pull me out the darkness
Can you show me where my heart is

(Oh why) Gotta keep it together
(Oh why) 'Cause I'm chasing forever
(Oh why) While I wait for someone to be
(My, my, my, my, my) My Adaline
Gotta keep it together
(Oh why) 'Cause I'm chasing forever
(Oh why) While I wait for someone to be
(My, my, my, my, my) My Adaline
