

Everything's Waiting For You

Tom Speight

As dark as the night or clear as day
Nothing's gonna get in my way
From loving you
Even when it's hard to
Thinking back to younger ways
Summertime in all its haze
I've got your back
There's no need to doubt that

Everything's waiting for you
I'll be by your side
If you feel like running
Or you're too tired to fly
Everything's waiting for you
Just cast your eyes
Beyond the fear
There's a world out there for you
Everything's waiting for you

As heavy as the heart that walks with me
Nothing's ever gonna change, you'll see
The way I feel
It's oh so real

Everything's waiting for you
I'll be by your side
If you feel like running
Or you're too tired to fly
Everything's waiting for you
Just cast your eyes
Beyond the fear
There's a world out there for you

Love, I hope you know
I'll never let you go
You have my word, you know
I'll never let you go

Everything's waiting for you
I'll be by your side
If you feel like running
Or you're too tired to fly
Everything's waiting for you
Just cast your eyes
Beyond the fear
There's a world out there for you
Everything's waiting for you
Everything's waiting for you
