

Falling

Tom Speight

From the corner of my eye
I see you lighting up the room
Like a candle in the dark
Just looking for a spark just to talk to you
And everybody's in my way
And the spirits in my blood
Got me dancing like a fool
And I don't know what to do
I'm not good enough

For you
I only need a chance
For you
To give you everything I have
For you
Please just understand
Falling hard
Oh, I'm falling, falling hard
Falling hard
Oh, I'm falling, falling hard
Falling hard
Oh, I'm falling, falling hard
For you
For you
For you
For you

I'm here dancing on my own
Are you still waiting for a sign?
Can I carry this through?
Could I mean anything to you?
Am I good enough?

For you
I only need a chance
For you
To give you everything I have
For you
Please just understand
Falling hard
Oh, I'm falling, falling hard
Falling hard
Oh, I'm falling, falling hard
Falling hard
Oh, I'm falling, falling hard
For you
For you
I only need a chance
For you
To give you everything I have
For you
Please just understand
Falling hard
Oh, I'm falling, falling hard
Falling hard
Oh, I'm falling, falling hard
Falling hard

Oh, I'm falling, falling hard

For you

Falling hard

Oh, I'm falling, falling hard

Falling hard

Oh, I'm falling, falling hard

Falling hard

Oh, I'm falling, falling hard

For you

Falling hard

Oh, I'm falling, falling hard

Falling hard

Oh, I'm falling, falling hard

Falling hard

Oh, I'm falling, falling hard

For you

I only need a chance

For you

To give you everything I have

For you

Please just understand

From the corner of my eye

I see you lighting up the room
