

Far Away

Tom Speight

Oh-oooh-oooh-oh
Oh-oooh-oooh-oh
Oh-oooh-oooh-oh
Oh-oooh-oooh-oh

Think of me, from far away
On my mind, you will play
And it's pulling like a magnet, from across a deep blue sea
In the waves of the Atlantic, [?]
And I want you to remember when you're facing every day

That I'm never far away
Oh-oooh-oooh-oh
Oh-oooh-oooh-oh
Oh, That I'm never far away
Oh-oooh-oooh-oh
Oh-oooh-oooh-oh

It seems so long since you've flown
Made a new life on your own
And it's pulling all my hard strings, just to think of you alone
But the waves of the Atlantic, one day I'll bring you home
And I want you to remember when you're facing every day

That I'm never far away
Oh-oooh-oooh-oh
Oh-oooh-oooh-oh
Oh, That I'm never far away
Oh-oooh-oooh-oh
Oh-oooh-oooh-oh

Never more than just a phone call away
If you wanted I could be there any day
If you just remember one thing that I say
Remember, that I'm never far away

Oh, I'm never far away
Oh-oooh-oooh-oh
Oh-oooh-oooh-oh
Oh, I'm never far away
Oh-oooh-oooh-oh
Oh-oooh-oooh-oh
Oh, I'm never far away
Oh-oooh-oooh-oh
Oh-oooh-oooh-oh
Oh, I'm never far away
Oh-oooh-oooh-oh
Oh-oooh-oooh-oh
