

# Let The River Run

Tom Speight

I often ask myself why do I feel this way  
Another great mistake I cannot seem to shake  
And everybody knows just how the story goes  
I find a girl who messes with my brain

All my life I've been waiting for you  
So come on now (Come on, come on, come on)  
All my life I've been waiting for you

Oh don't stop, give me everything you've got (Everything you've got)  
Oh don't stop, give me everything you've got  
Let the river run through  
And take me away

I often wonder why, how did I end up here  
Another lie, another wasted year  
And all my friends get tired, they say they've seen the signs  
I was the lesser in a meeting of the minds

All my life I've been waiting for you  
So come on now (Come on, come on, come on)  
All my life I've been waiting for you

Oh don't stop, give me everything you've got (Everything you've got)  
Oh don't stop, give me everything you've got  
Let the river run through  
And take me away

Let the river run through  
Let the river run through  
And take me away

Blue skies coming  
Colors running  
Sadness melting away  
Blue skies coming  
Colors running  
Sadness melting away

Oh don't stop, give me  
Oh don't stop, take me away

Oh don't stop, give me everything you've got (Everything you've got, everything you've got)  
Everything you've got  
Oh don't stop, give me everything you've got (Hoo-hoo-hoo)  
Let the river run through  
Let the river run through  
Let the river run through  
And take me away  
Take me away
