

# Open Door

Tom Speight

Will you lie down here, right next to me?  
With the TV down and the silent sound of the cars on the street  
Come and get a little lost, right on the floor  
'Cause there's nothing I want more  
Oh, there's nothing I want more

Come on, come on  
Is there anybody home?  
Come on, come on  
There's no need to be alone  
Come on, come on

I'm an open door

Will you lie down here, right next to me?  
Watch the world spin by and getting high on a backseat  
Will you be the wall I've been waiting for  
'Cause there's nothing I want more  
Oh, there's nothing I want more

Come on, come on  
Is there anybody home?  
Come on, come on  
There's no need to be alone  
Come on, come on

I'm an open door

I'm an open door  
Will you lie down here, right next to me?
