

# Strangers Now

Tom Speight

Waiting for the black sky to turn to blue  
Tryna find my way back home  
Every little bar looks like I'm drinking for two  
Keeping a space, keeping a place for you

Don't run away from me me  
Give me the light I need

Won't you talk to me?  
I've been holding out  
Now I need you now  
Till the early hours  
Won't you smile at me?  
Like you used to be  
Are we strangers now?  
Signing out, signing out, signing out

Waiting for the reason to come to you  
Why I had to go  
And every time a season changes  
You do too  
And I need to know

You won't run away from me  
I'll give you a light I need

Won't you talk to me?  
I've been holding out  
And I need you now  
Till the early hours  
Won't you smile at me?  
Like you used to be  
Are we strangers now?  
Signing out, signing out, signing out  
Signing out

Hold out your hand  
Hold out your hand  
If you need me now  
If you need me

Hold out your hand  
Hold out your hand  
If you need me now  
If you need me

Won't you talk to me?  
I've been holding out  
And I need you now  
Till the early hours  
Won't you smile at me?  
Like you used to be  
Are we strangers now?  
Signing out, signing out, signing out
