

# Tears

Tom Speight

You said don't cry  
Don't waste your tears on me  
Too tired to try  
But you made me feel like I could be someone  
Turns out I'm lost without you

Cause it hurts to let you go  
But what else can I do  
It's like the end of the world  
Cause I'm lost without you

But I know these tears won't dry on their own  
And god I miss you, now that you're gone  
It ain't easy going back to the start  
But I know these tears won't dry on their own

You said don't wait  
Don't waste your time on me  
Too tired to fight  
But you made me feel like I could be someone  
Turns out I'm lost without you

Cause it hurts to let you go  
But what else can I do  
It's like the end of the world  
Cause I'm lost without you

But I know these tears won't dry on their own  
And god I miss you, now that you're gone  
And it ain't easy going back to the start  
But I know these tears won't dry on their own

I hope you're looking down  
I hold your memories to me now  
Don't cry, don't cry  
And I hope you're looking down  
I hold your memories to me now  
I won't cry, I won't cry

But I know these tears won't dry on their own  
And god I miss you, now that you're gone  
And it ain't easy going back to the start  
But I know these tears won't dry on their own
