

I Can't Dance

Tom T. Hall

I can't dance and I never could, I guess my feet don't match
I've been thinking 'bout dancing with you, but I'm afraid of hurtin' my back

I don't know what you're doing but I like everything you do
Just for a little bit baby I'd come out and dance with you

[Chorus:]

But I can't dance and I'm feeling so good
Some of us can and some of us can't and some of us wish that we could dance
Some can't dance and I guess I'm just one of the unfortunate few

Just for a little bit, baby, I'd come out and dance with you

My mind is out there with you now but I can't get my body to move

Sitting here falling in love, love, love thinking something I can't prove

My soul is willing and my mind is ready but it's something that I never could do

Just for a little bit, baby, I'd come out and dance with you

[Chorus]
