

Over The Rainbow

Tom T. Hall

Somewhere over the rainbow way up high
There is a land that I heard of once in a lullaby
Somewhere over the rainbow skies are blue
And those dreams that you dare to dream really do come true
Someday I'll wish upon a star and wake up where the clouds are
far behind me
Where troubles melt like lemon drops a way above the chimney to
ps
That's where you'll find me
Somewhere over the rainbow bluebirds fly
Birds fly over the rainbow why then oh why can't I

Somewhere over the rainbow bluebirds fly...
