

Texas Never Fell In Love With Me

Tom T. Hall

It wasn't much but I sold it all and I moved to San Antone
Knowing in my heart that Texas had to be my home
I fell in love with Texas I was happy I was free but Texas never
fell in love with me
I found out my style just didn't suit the local squirrels
I found out that I can't fit into a cowboy world
I'm back in Indiana just as lonesome as can be Texas never fell
in love with me

I bought myself a cowboy hat of course it didn't fit
I bought myself a case of Coor's and I used to drink and sip
I watch the cowgirls come and go Lord don't they love to play
The one I wanted never came my way
I found out my style...
Texas never fell in love with me
