

Broke

Tom Vek

Turning out like yeah
He's broke and now he's home (so cold)
I didn't know he liked to get ahead
I didn't know he cried, to get fed
Everything you know
Comes off
Lover didn't care
For anything he knows
He's turning on the score
Drugs underneath
He's turning up, and wrong
Did I sleep underneath?

Getting over, to feel
Getting our own
Name badge
Getting off our own
Back sides
Getting off our own
