

Big In Japan

Tom Waits

Dm Dm/F Dm Dm/F
1. I got the style but not the grace
I got the clothes, but not the face
I got the bread, but not the butter
I got the winda, but not the shutter
But I'm big in Japan, I'm big in Japan
But, hey I'm big in Japan, I'm big in Japan

2. I got the house, but not the deed
I got the horn, but not the reed
I got the cards, but not the luck
I got the wheel, but not the truck
But, hey I'm big in Japan, I'm big in Japan
I'm big in Japan, I'm big in Japan

Gm Dm
R: I got the moon, I got the cheese
Gm Dm
I got the whole damn nation on its knees
Gm Dm
I got the rooster, I got the crow
E7 A
I got the ebb, I got the flow

3. I got the powder, but not the gun
I got the dog, but not the bun
I got the clouds, but not the sky
I got the stripes but not the tie
But, hey I'm big in Japan, I'm big in Japan
I'm big in Japan, I'm big in Japan

Heh-ho, they love the way I do it
Heh-ho, there's really nothin' to it

R: I got the moon...

4. I got the sizzle, but not the steak
I got the boat, but not the lake
I got the sheets, but not the bed
I got the jam, but not the bread
But, hey I'm big in Japan, I'm big in Japan
I'm big in Japan, I'm big in Japan
