Why be sweet, why be careful, why he kind?
A man has only one thing on his mind
Why ask palitely, why go lightly,
Why say please?
They only want to get you on your knees
There are a few things I never could believe
A woman when she weeps
A merchant when he swears
A thief who says he'll pay
A lawyer when he cares
A snake when he is sleeping
A drunkard when he prays
I don't believe you go to heaven
When you're good
Everything goes to hell, anyway...

Laissez-faire mi amour, ce la vie Shall I return to shore or swim Back out to sea? The world don't care what a soldier Does in town It's all hanging in the windows By the pound There are few things I never could believe...

A woman when she weeps
A merchant when he swears
A thief who says he'll pay
A lawyer when he cares
A snake when he is sleeping
A drunkard when he prays
I don't believe you go to heaven
When you're good
Everything goes to hell, anyway...

I only want to hear your purr and to hear
Ou moan There is another man who brings
The money home
I don't want dishes in the sink
Please don't tell me what you
Feel of what you think
There are few things I never could believe...
