

Train Song

Tom Waits

C **F** **C**
Broke down in East St. Louis

B **F**
On the Kansas City Line

C **F** **Am**
Drunk up all my money

D **B**
That I borrowed every time

G **C**
And I fell down at the derby

B **F**
Night's as black as a crow

C **F** **C** **Am**
It was a train took me away from here

F **G** **C**
But a train can bring me home
