

# Holy Ghost

Tom Walker

I'm on my knees at your altar  
When I bleed, give me shelter  
You're my evergreen  
You're my world unseen  
My heart, it beats to your rhythm  
It's not what you take, it's what you're givin'  
You're the kind of grace  
That you can't replace

I watched you turn the skies from grey to blue  
(Mm-mm-mm-mm-mm)  
Better men have died for love like you

Your love is spiritual  
When you hold me close  
Only Heaven knows  
Your touch is biblical  
Everywhere I go  
You're my Holy Ghost

I swear I've known you for centuries  
You're Heaven-sent how you save me  
In our final hour, call on higher power, oh  
Erase my sins, my communion  
Till death do us part, it's a union  
A guiding light  
You're my love divine

I watched you turn the skies from grey to blue  
(Mm-mm-mm-mm-mm)  
Better men have died for love like you

Your love is spiritual  
When you hold me close  
Only Heaven knows  
Your touch is biblical  
Everywhere I go  
You're my Holy Ghost

Holy (Oh-oh)  
Holy (You're my Holy Ghost)  
You're my Holy Ghost  
Holy (Oh-oh)  
Holy (You're my Holy Ghost)

Your touch is biblical  
Everywhere I go  
You're my Holy Ghost
